Department of Health Services Children's Medical Services E47 Eligibility Phase 1 Information Bulletin # 5 June Change Cycle

The following updates were made 6/2/2001 during the June change cycle:

1. Corrections to ticklers so that selected date ranges are printed.
2. Correction to the "PEND" tickler so patients that have completed annual reviews will not display.
3. Correction to PSA tickler so only patients with a PSA status of "Signature Pending" display.
4. Correction to the automatic narrative for Medical Report Received so the "Date Received" populates.
5. Correction to Medical Report Request screen to prevent program error
<SUBSCRIPT>LOOP2+3^NEMR.
6. Correction to the hard copy Face Sheet so referral and transfer information is displayed.
7. Correction to the authorization so the patient's phone number prints appropriately.
8. Correction to the MEDS inquiry screens to display the eligibility header of MED= & F/R=.

For Active cases converted without aid code

The Client Eligibility screen has been changed so users can close an active case that did not convert with an aid code.

If a converted case requires closing, follow these steps:

1. Establish program eligibility period on the Pending Eligibility screen by selecting "Eligibility Period Only". (You may not need establish eligibility if the case was partially converted).
2. Go to the Client Eligibility screen, select Case Status of "Closed".
3. Complete the Case Type, CCS Elig Status, Elig Start Date, Date Closed, Reason Closed/Denied, Determined by and Date Determined.
4. Save the Client Eligibility Screen.
